 PLAINTIFF'S PRO SE MOTION TO REINSTATE THE ORIGINAL
 CIVIL RICO COMPLAINT UNDER THE RELATION BACK AMENDMENT
 OF RULE 15(c) FEDERAL RULES OF CIVIL PROCEDURE

Comes now Regina Bey-Wright, proceeding In Propria and Pro-se in the above styled action and numbered cause, to be referred herein after as "Plaintiff" respectfully moving this honorable court with this particularized motion requesting leave to reinstate the originally filed Civil RICO complaint. Plaintiff makes this request under the provisions of the Relation back Amendment of 15(c) of the Federal Rules of Civil Procedure. In support of this motion plaintiff hereby aver as follows:

PROCEDURAL BACKGROUND SUMMARY

On or about June 21, 2005, plaintiff initiated a complaint with her employer defendant.^{1/} On or about December 9, 2005, plaintiff received a copy of her "Right to Sue" notice, that was dated December 5, 2005.

^{1/} Ms. Bey-Wright followed the administrative procedures by filing her complaint through the proper channels. C.f., Supervisor Human Resources and Office of Equal Employment Opportunity Commission (EEOC)

On or about February 8, 2006, plaintiffs civil RICO complaint was filed, ^{2/} in and to this honorable court. After being further placed in fear of losing her job, and further retaliation based on coercion, threats and intimidation by defendant's, plaintiff caused a hand written letter to be filed requesting "to make a motion to dismiss and retrieve my civil RICO complaint that was filed on February 8, 2006." On or about March 6, 2006, an order was issued by this court signed by the Honorable Judge Karon O'Bowdre, USDJ, granting plaintiff's motion to dismiss, thereby dismissing the action "without prejudice."

It is respectfully argued, that there is the compelling fact that defendants named in this civil action have continued in a conspiratorial agreement and manner to discriminate and further prosecute acts of reprisal, intimidation, coercion, and conversion against plaintiff in actions that violate her constitutionally protected rights, and obstructs justice.

Plaintiff respectfully asserts that the course of events occurring before and after the commencement of the original civil action RICO complaint, have made clear the affordable right to relief.

^{2/} Ms. Bey-Wright's deadline time to file her action within 90 day period under Title VII would have tolled to March 9, 2006, from the time she received it.

Plaintiff proceeding in the Pro se forum,^{3/} refers to paragraph (c)(1) of Rule 15 Federal Rules of Civil Procedure, which is a new provision intended to make clear that the rule does not apply to preclude any relation back that may be permitted under the applicable limitations law. Generally, the applicable limitations law will be state law. If federal jurisdiction is based on the citizenship of the parties, the primary reference is the law of the state in which the district court sits. Walker -vs- Armco Steel Corp., 446 U.S. 740 [64 L. Ed. 2d 659] (1980). If federal jurisdiction is based on a federal question, the references may be to the law of the state governing relations between the parties. E.g., Board of Regents -vs- Thomanio, 446 U.S. 478 [64 L. Ed. 2d 440] (1980).

Whatever may be the controlling body of limitations law, if that law affords a more foregiving principal of relation back than the one provided in this rule, respectively, it should be available to save this claim. Accord Marshall -vs- Mulrenin, 508 F. 2d 39 (1st Cir. 1974).

It is respectively asserted, that when sought from the court by motion, leave to amend "should be freely given when justice so requires."

^{3/}Ms. Bey-Wright has invoked the provision of Haines -vs- Kerner, 404 U.S. at 519 in her original action complaint, as well as any subsequent pleadings during and until such time the full appointment or assistance of legally competent and trained counsel on behalf of the plaintiff is provided by the court.

In Foman -vs- Davis, 371 U.S. 178, 9 L. Ed. 222, 83 S. Ct. 227 (1962), the Supreme Court interpreted this language as providing that leave to amend should be granted, in the absence of bad faith, unless the adverse party will be prejudiced by the additional expense, or the addition of new issues would confuse the jury.

Wherefore, the plaintiff prays that this most honorable court will grant this motion to reinstate the original civil action, as it reasonably states a tenable claim for relief and would prevent a manifest miscarriage of justice.

Respectfully,

Regina Bey Wright

PROCEDURAL BACKGROUND

The plaintiff incorporates the initial procedural background as referenced in the original complaint, and hereby further avers as follows:

This the continuation of a civil action complaint, that can, and will affirmatively demonstrate certain civil and constitutional rights violations, concerning discrimination in the work place, trespass of plaintiff's right to be free from inappropriate touching (inferred sexual harassment); conversion and conspiratorial cover-up of a civil rights complaint and retaliatory actions prosecuted against plaintiff, in that she has been denied equal employment opportunities. This complaint is ongoing and will continue to be developed during the course of the discovery process and interrogatories.

Plaintiff initially reported this violation of her civil rights by way of a complaint to Army Fleet Support on or about June 21, 2005, who stated on or about July 7, 2005, that George Hickman's behavior was not the point to where it violated Title VII of Army Fleet Support Equal

Employment Opportunity.⁵ This action concerns matters that involve the action in which plaintiff initiated a complaint against supervisory employee George Hickman of AFS, on or about June 21 2003. The Birmingham Office of the EEOC mailed plaintiff with a "Right to sue letter" on about December 5, 2005, of which plaintiff did not receive until on or about December 9, 2005, to wit this pleading and complaint is deemed timely filed.

The aftermath of this action had been ongoing, in that plaintiff has been subjected to acts of reprisal and cover up by named defendants. It has become clear from the filing of the Civil R.I.C.O. action complaint, the all of the named defendants have been made aware of the prosecution of this ongoing action.

The RICO action involves a violation of civil rights, and federal law, in that plaintiff has been discriminated against in the workplace, and there has been active obstruction of justice in these regards that violated plaintiffs rights; The defendant's have in an organized effort, collectively and individually, controlled job assignments, transfers, and opportunity for overtime pay, that is an activity that effects commerce; as well as additional violations that will affirmatively support this RICO complaint. The purpose of identifying and clarifying the actions of defendant Hickman, and the other named defendant's will be further developed in the subsequent amended complaints from the written record⁶.

SUPPORTING AUTHORITIES

The Plaintiff asserts that he is well aware of the requirements of Porter v. Nussle, 122 S. Ct. 983 (2002), and Booth v. Churner, 121 S. Ct. 1891 (2001). "No action shall brought with

⁵ Conclusive evidence exists that indicates falsification of government documentation, in violation of the federal rules of criminal procedure.

⁶ The written record referred to herein, revolves around the e-mail, accompanying correspondences between AFS supervisory and investigative staff, as well as the EEOC complaint that was filed.

respect to working conditions under section 42 U.S.C. § 1983,⁷ or 28 U.S.C. § 1331⁸ of the Title, or any other Federal law, until such administrative remedies as are available are exhausted.” 42 U.S.C. § 1997 (e) (a). The Plaintiff asserts that the administrative remedy process has been completed, and she has been issued a “Right to Sue” Letter from the EEOC, based upon actions that are the foundation for this civil complaint.

The second part of this complaint, to be amended hereafter, is to state a claim for the mental anguish as a direct result of the actions of the named defendants. Plaintiff has already suffered and still being subjected to the injuries that are the foundation of this complaint pursuant to a 42 U.S.C. § 1983, and 28 U.S.C. § 1331(a) Bivens Action; as well as 18 U.S.C. § 1964 to which relief is warranted. That the defendants have violated two or more acts under state and federal statutes that will affirmatively support the RICO action complaint.

The third part of this complaint to be amended hereafter is to assert that suffering from the negligence of defendants to correct the workplace conditions. Not only have named defendant's failed to correct and/or refrain from acts or actions that are the subject to this complaint, but also said defendants are prosecuting additional actions of threats, intimidation, and conversion against plaintiff, in violation of the Fourth, Fifth and Eighth Amendments.

The Plaintiff asserts that this action is being prosecuted against the defendants in their individual, as well as official capacities. This complaint is based on acts or actions in which the defendant George Hickman negligently, maliciously and in violation of plaintiff's employee and civil rights instituted an action that violated plaintiff's right to be safe from acts of racial discrimination and sexual harassment in the work place. The additional named defendants conspired individually and collectively to slander and defame plaintiff's character; prosecuted

⁷ Title 28 U.S.C. § 1983 gives the authority to prosecute a civil action complaint in federal court against state officials.

⁸ Title 28 U.S.C. § 1331 authorizes a civil action complaint to be procured in federal court against federal officials.

acts that amount to viable claims of obstructed justice, trespass, discrimination and conversion in violation of plaintiff's civil rights.

RELIEF REQUESTED

The Plaintiff seeks injunctive relief to correct the conditions that are a direct result of the failure of AFS/L-3 to provide protection for its employees who are and may be subject to acts of discrimination, harassment, and/or acts of reprisal and retaliation in the workplace environment, for filing a complaint against another employee, or person in a supervisory position for violating the civil rights and/or rules of employee conduct. Plaintiff seeks additional injunctive relief from this honorable court, to compel the defendant's to refrain from the continuing acts that are part and a product of this complaint.

The Plaintiff seeks compensatory damages for legal expenses incurred, as well as for physical and mental anguish and suffering in the total amount of ten million (\$10,000,000.00) dollars, and for punitive and troubled damages ten million (\$10,000,000.00) dollars, as in this case the present civil rights violations and conditions in the workplace should not be condoned. The negligence of the defendants, in these regards has only enhanced the injuries herein that are of an extremely severe nature.

The defendants continue to deny a safe and equal work environment, as they are continuing to prosecute an action that denies plaintiff the same rights and privileges afforded employees under the equal employment opportunity protections. In this case, the grant of relief will serve the public interest because it is always in the public interest for employers' to obey the law.

WHEREFORE THE PLAINTIFF REQUESTS THAT THE COURT GRANT THE FOLLOWING RELIEF:

A. ISSUE A DECLARATORY JUDGMENT STATING THAT:

1. The defendant's are to refrain from any act or acts that can be inferred as an act of racial discrimination in the workplace; afford plaintiff the opportunity to be guaranteed the same rights and privileges afforded other employees, in compliance with Plaintiff's Fourth, Fifth, and Eighth Amendment rights under the United States Constitution.

Defendant Ken Demarko, has demonstrated a knowing and intelligent attempt to obstruct justice, and conversion of plaintiff's civil rights claim, by failing to remain impartial, and prosecuting acts and or actions that are contrary to the rules governing ethics and employee conduct and recommendation for sanctions of an employee or employee's who are reported to be in violation of another employee's civil or rights governing discrimination and harassment in the workplace. Defendant Demarko has denied plaintiff the protection and preservation of plaintiff's constitutionally protected rights while in the workplace. Defendant Demarko has allowed and condoned acts of reprisal against plaintiff, and violated the confidentiality of his investigative responsibility on behalf of other named defendants. Upon information and belief, defendant Demarko is a resident of the State of Alabama. Ken Demarko is being sued individually, and as an agent, servant or employee in a supervisory position of AFS/L-3 Communications, as well as in his official capacity. Demarko is being sued in the amount of Two Million (\$2,000,000) Dollars.
3. Defendant Harry Smith, was at all times relevant to the allegations of this complaint is an employee of AFS/L-3 Communications, who was and is responsible for maintaining a professional and safe work environment, that is free from racial discrimination, and/or acts of reprisal/retaliation prosecuted against employee's. Defendant Smith was and is plaintiff's

violate plaintiff's civil rights. Defendant Drysdale is being also being sued individually and in her official capacity in the amount of Two Million (\$2,000,000) Dollars.

6. Verlene Bell-Foster, was at all times relevant to the allegations of this complaint an Equal Employment Opportunity Investigator for AFS/L-3 Communications, who was and is responsible for maintaining and guaranteeing a professional and safe work environment. Defendant Bell-Foster has demonstrated a knowing and intelligent attempt to obstruct justice, and conversion of plaintiff's civil rights claim. Defendant Bell-Foster failed to remain an impartial party to plaintiff's civil rights allegations. Defendant Bell-Foster, prosecuted acts and or actions that are contrary to the rules governing ethics and employee conduct and recommendation for sanctions of an employee or employee's who are reported to be in violation of another employee's civil or rights governing discrimination and harassment in the workplace.

7. Defendant Bell-Foster has denied plaintiff the protection and preservation of plaintiff's constitutionally protected rights while in the workplace. Defendant Bell-Foster has allowed and condoned acts of reprisal against plaintiff, and violated the confidentiality of his investigative responsibility on behalf of other named defendants. Upon information and belief, defendant Bell-Foster is a resident of the State of Alabama. Bell-Foster is being sued individually, and as an agent, servant or employee in a supervisory position of AFS/L-3 Communications, as well as in her official capacity for being involved in a conspiracy to violate plaintiff's civil rights. Bell-Foster is being sued in the amount of Two Million (\$2,000,000).

8. Defendant Edward Brown ("Brown") was, at all times relevant to the allegations of this complaint, an employee of defendant AFS, who was and is responsible for maintaining

and adhering to a professional and safe work environment, that is free from racial discrimination, and/or acts of reprisal/retaliation prosecuted against employee's Defendant Brown is being sued in his individual as well as official capacity for being involved in a conspiracy to violate plaintiff's civil rights and is being sued in the amount of Two Million (\$2,000,000) Dollars.

9. Need to add new defendant's names and duties-----

10. Defendant John Doe One has been changed from the previous named defendant (Stephanie McGarvey's husband), and if the need arises through the discovery process to name a defendant currently listed as John Doe one, plaintiff hereby reserves that right. John Doe One is being sued individually in the amount of Two Million (\$2,000,000) Dollars.

11. The plaintiff will further develop this complaint through the discovery process in an attempt to specify further violations by named defendants. Defendant's Army Fleet Support, and L-3 Communications have conspired with or condoned actions of the other named defendant's, through allowing named defendant's to control and deny plaintiff overtime, affecting interstate commerce; conversion or transfer in a manner that obstructs justice, and has failed to sanction or correct acts of reprisal taken against plaintiff for exercising her right and employee responsibility to document and report acts of discrimination in the workplace. Defendant's Army Fleet Support and L-3 Communications is being sued collectively, in the amount of Four Million (\$4,000,000) Dollars, and individually in the amount of Two Million \$2,000,000) Dollars.

12. Additional claims in support of this action will be further submitted in the subsequent amended complaints, and developed through interrogatories.

B. ISSUE AN INJUNCTION ORDERING DEFENDANTS OR THEIR AGENTS TO:

1. Compel Injunctive relief from the defendant's by compelling them to refrain from further prosecuting acts of retaliation and/or reprisal based upon plaintiff's EEOC and civil rights complaint. Compel AFS/L-3 Communications to afford plaintiff that same rights opportunities and privileges afforded other employees, that does not and will not amount to a viable claim of discrimination or reprisal.
2. Immediately arrange for the jury trial of this action, so that all of the relevant evidence, and the extent of the damages can be determined by a jury beyond a reasonable doubt;
3. Because of the need for Plaintiff to activate this civil action, in the attempt to compel defendants to refrain from prosecuting continuing and future actions against her, this complaint will be filed as it presently is, and will be further amended pursuant to the applicable rules of Federal Civil Procedure in the second and subsequent amended complaints. As plaintiff is prosecuting this action In Propria persona in want of counsel, she hereby further invokes the provisions of Haines v. Kerner, 404 U.S. 519, 520 S. Ct. 594, 30 L.Ed 2d 652 (1972), in that she is prosecuting this action, so that this action will be considered in the pro se forum and viewed liberally.

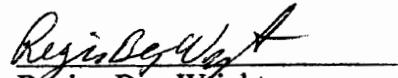

Wherefore, Plaintiff respectfully seeks to have this first complaint filed and docketed, in the initiation of this civil R.I.C.O. action, additional legal support and authorities, coupled with a further detailed series of events and/or actions of the defendant's will be further presented through the discovery process as necessary for the subsequent amended complaints. Plaintiff further respectfully moves that the court further provided the injunctive relief it deems necessary and proper.

PROCEDURAL BACKGROUND

Plaintiff began employment as a Service Attendant on or about October 2001, for a civilian contractor located at Fort Rucker as an employee in good standing. Plaintiff maintained a position of Material Specialists with Army Fleet Support, upon AFS being awarded a contract at Fort Rucker. On or about March 24, 2005 a male employee entered the tool room where plaintiff worked without identifying himself, or stating the purpose of his entry. This individual began to search through cabinets, and then began to ask plaintiff questions in a rapid-fire manner, without affording plaintiff the opportunity to respond.

When plaintiff attempted to ask questions, in an attempt to identify this person he would not respond. During this time, and in the presence of a male Caucasian co-worker this individual began speaking to plaintiff in a degrading and demeaning manner, in direct violation of the rule governing employee conduct, while being respectful to the other co-

Hickman took out a can of scouring powder, handed it to plaintiff, saying in a demeaning manner that it needed to be turned in. Defendant Hickman then immediately aggressively snatched the can from plaintiff's hand,⁶ stating that he would take care of it. During the whole period in the tool room, defendant Hickman failed to identify himself, or state his purpose for being in the tool room.

Approximately two minutes later, Harry Smith walked into the tool room, upon which time defendant Hickman stated: "You sure don't have any good help around here Harry. I found these expired items." As defendant Hickman, Harry Smith and I were leaving the tool room, Hickman asked, "What's your name?" Before plaintiff could respond, defendant Hickman aggressively grabbed my ID badge while touching my breast turning the badge around to look at it.⁷ Further investigation⁸ revealed that defendant Hickman had singled out the plaintiff because of her race.

Plaintiff reported this situation by way of a complaint to Army Fleet Support on or about June 21, 2005, who stated on or about July 7, 2005, that George Hickman's behavior was not the point to where it violated Title VII of Army Fleet Support Equal Employment Opportunity.⁹ This action concerns matters that involve the action in which plaintiff initiated a complaint against supervisory employee George Hickman of AFS, on or about June 21 2003. The Birmingham Office of the EEOC mailed plaintiff with a "Right to sue letter" on about December 5, 2005, of which plaintiff did not receive until on or about December 9, 2005, to wit this pleading and complaint is deemed timely filed.

⁶ Defendant Hickman had the opportunity to ask for the plaintiff to hand him the can, but failed to do so instead aggressively removing the can from her hand.

⁷ There was ample opportunity for defendant Hickman to ask plaintiff for her name and to hand him her identification.

⁸ A shop Stewart conducted an investigation interviewing several Caucasian co-workers who all stated that defendant Hickman never treated them in the same manner.

⁹ Conclusive evidence exists that indicates falsification of government documentation, in violation of the federal rules of criminal procedure.

Plaintiff reported this situation by way of a complaint to Army Fleet Support on or about June 21, 2005, who stated on or about July 7, 2005, that George Hickman's behavior was not the point to where it violated Title VII of Army Fleet Support Equal Employment Opportunity.⁹ This action concerns matters that involve the action in which plaintiff initiated a complaint against supervisory employee George Hickman of AFS, on or about June 21 2003. The Birmingham Office of the EEOC mailed plaintiff with a "Right to sue letter" on about December 5, 2005, of which plaintiff did not receive until on or about December 9, 2005, to wit this pleading and complaint is deemed timely filed.

The aftermath of this action had been ongoing, in that plaintiff has been subjected to acts of reprisal and cover up by named defendants. The RICO action involves a violation of civil rights, and federal law, in that plaintiff has been discriminated in the workplace, and there has been active obstruction of justice in these regards that violated plaintiffs rights; The defendant's have in an organized effort, collectively and individually, controlled job assignments, transfers, and opportunity for overtime pay, that is an activity that effects commerce; as well as additional violations that will affirmatively support this RICO complaint. The purpose of identifying and clarifying the actions of defendant Hickman, and the other named defendant's will be further developed in the subsequent amended complaints from the written record¹⁰.

⁸ A shop Stewart conducted an investigation interviewing several Caucasian co-workers who all stated that defendant Hickman never treated them in the same manner.

⁹ Conclusive evidence exists that indicates falsification of government documentation, in violation of the federal rules of criminal procedure.

¹⁰ The written record referred to herein, revolves around the e-mail, accompanying correspondences between AFS supervisory and investigative staff, as well as the EEOC complaint that was filed.

LEGAL PRINCIPLES

The Plaintiff asserts that he is well aware of the requirements of Porter v. Nussle, 122 S. Ct. 983 (2002), and Booth v. Churner, 121 S. Ct. 1891 (2001). "No action shall be brought with respect to prison conditions under section 42 U.S.C. § 1983,¹¹ or 28 U.S.C. § 1331¹² of the Title, or any other Federal law, until such administrative remedies as are available are exhausted." 42 U.S.C. § 1997 (e) (a). The Plaintiff asserts that the administrative remedy process has been completed, and she has been issued a "Right to Sue" Letter from the EEOC, based upon actions that are the foundation for this civil complaint.

The second part of this complaint, to be amended hereafter, is to state a claim for the mental anguish as a direct result of the actions of the named defendants. Plaintiff has already suffered and still being subjected to the injuries that are the foundation of this complaint pursuant to a 42 U.S.C. § 1983, and 28 U.S.C. § 1331(a) Bivens Action; as well as 18 U.S.C. § 1964 to which relief is warranted. That the defendants have violated two or more acts under state and federal statutes that will affirmatively support the RICO action complaint.

The third part of this complaint to be amended hereafter is to assert that suffering from the negligence of defendants to correct the workplace conditions. Not only have named defendant's failed to correct and/or refrain from acts or actions that are the subject to this complaint, but also said defendants are prosecuting additional actions of threats, intimidation, and conversion against plaintiff, in violation of the Fourth, Fifth and Eighth Amendments.

¹¹ Title 28 U.S.C. § 1983 gives the authority to prosecute a civil action complaint in federal court against state officials.

¹² Title 28 U.S.C. § 1331 authorizes a civil action complaint to be procured in federal court against federal officials.

The Plaintiff asserts that this action is being prosecuted against the defendants in their individual, as well as official capacities. This complaint is based on acts or actions in which the defendant George Hickman negligently, maliciously and in violation of plaintiff's employee and civil rights instituted an action that violated plaintiff's right to be safe from acts of racial discrimination and sexual harassment in the work place. The additional named defendants conspired individually and collectively to slander and defame plaintiff's character; prosecuted acts that amount to viable claims of obstructed justice, trespass, discrimination and conversion in violation of plaintiff's civil rights.

RELIEF REQUESTED

The Plaintiff seeks injunctive relief to correct the conditions that are a direct result of the failure of AFS/L-3 to provide protection for its employees who are and may be subject to acts of discrimination, harassment, and/or acts of reprisal and retaliation in the workplace environment, for filing a complaint against another employee, or person in a supervisory position for violating the civil rights and/or rules of employee conduct. Plaintiff seeks additional injunctive relief from this honorable court, to compel the defendant's to refrain from the continuing acts that are part and a product of this complaint.

The Plaintiff seeks compensatory damages for legal expenses incurred, as well as for physical and mental anguish and suffering in the total amount of ten million (\$10,000,000.00) dollars, and for punitive and troubled damages ten million (\$10,000,000.00) dollars, as in this case the present civil rights violations and conditions in the workplace should not be condoned. The negligence of the defendants, in these regards has only enhanced the injuries herein that are of an extremely severe nature.

The defendants continue to deny a safe and equal work environment, as they are continuing to prosecute an action that denies plaintiff the same rights and privileges afforded employees under the equal employment opportunity protections. In this case, the grant of relief will serve the public interest because it is always in the public interest for employers' to obey the law.

WHEREFORE THE PLAINTIFF REQUESTS THAT THE COURT GRANT THE FOLLOWING RELIEF:

A. ISSUE A DECLARATORY JUDGMENT STATING THAT:

1. The defendant's are to refrain from any act or acts that can be inferred as an act of racial discrimination in the workplace; afford plaintiff the opportunity to be guaranteed the same rights and privileges afforded other employees, in compliance with Plaintiff's Fourth, Fifth, and Eighth Amendment rights under the United States Constitution.

2. Defendant Ken Demarko, has demonstrated a knowing and intelligent attempt to obstruct justice, and conversion of plaintiff's civil rights claim, by failing to remain impartial, and prosecuting acts and or actions that are contrary to the rules governing ethics and employee conduct and recommendation for sanctions of an employee or employee's who are reported to be in violation of another employee's civil or rights governing discrimination and harassment in the workplace. Defendant Demarko has denied plaintiff the protection and preservation of plaintiff's constitutionally protected rights while in the workplace. Defendant Demarko has allowed and condoned acts of reprisal against plaintiff, and violated the confidentiality of his investigative responsibility on behalf of other named defendants. Upon information and belief, defendant Demarko is a resident of the State of Alabama. Ken Demarko is being sued

individually, and as an agent, servant or employee in a supervisory position of AFS/L-3 Communications, as well as in his official capacity. Demarko is being sued in the amount of Two Million (\$2,000,000) Dollars.

3. Defendant Harry Smith, was at all times relevant to the allegations of this complaint is a supervisor of AFS/L-3 Communications, who was and is responsible for maintaining a professional and safe work environment, that is free from racial discrimination, and/or acts of reprisal/retaliation prosecuted against employee's under his control and supervision.
